Price List

For Your Information

As all offerings are subject to prior sale, do not forward your remittance pending confirmation of your order. All shipments will be forwarded by Railway Express unless otherwise requested. We find this the best method as all shipments are insured.

There are no packing charges on orders of \$10.00 or more. Under \$10.00 there will be a charge of \$1.00.

All orders are filled strictly in rotation, therefore we urge you to place your order early for the best selection.

While we pack to prevent possible damage during transit, our responsibility ceases when the shipment is placed in hands of the common carrier.

The LEHIGH FLORAL COMPANY gives no warranty, expressed or implied, as to the productiveness of any of the plants we sell and will not in any way be responsible for the crop. Our liability in all instances is limited to the purchase price of the plants.

Take advantage of the following quantity discounts to fill those empty spots and to round out your supply of flowers.

\$100.00 to \$200.00.....	10%
\$200.00 to \$500.00.....	15%
\$500.00 to \$1000.00.....	20%
\$1000.00 up	30%

May we suggest you combine your order with that of your friends who wish to order, thereby taking advantage of the discounts with a further saving on the shipping charges.

We present herewith our 1952 List of Orchid plants covering a fine selection in colored, white and white with colored lip.

During the past season we acquired many new customers and friends through the fine quality of the plants and the reasonable prices of our offerings. You will find the same fine quality and reasonable prices available in this list. When in the neighborhood you are cordially invited to stop in and see for yourself. Saturday and Sunday by appointment only.
